Sweet Beginnings
SWEET BEGINNINGS is our signature sweet white made from Catawba juice. It boasts a full fruity flavor with hints of apple.

Sweet Beginnings aptly names two special events in our lives. First, our venture into the wine business. With six years of vineyard management, we yearned for more control on the process. We dove in and began turning an apple warehouse into a wine processing and tasting facility. Our second sweet beginning was an addition to our clan, Andrew. He arrived on a snowy January day to brighten our lives. Enjoy our Sweet Beginnings.
